## Reflecting, celebrating and looking ahead

As we wrap up another year of netball at Netball South, we would like to reflect on the year and thank you all for being part of it.

It is always easy to discuss the challenges we face regularly in the netball world, however it's important to remember WHY we all do what we do; that is **for the love of NETBALL!**

We thank you for your continued commitment to netball, your communities, and each other.

Cheers to 2026! Lets continue to build, connect and strengthen netball in the South.

From the Netball South team, we wish you all a safe and happy festive season and a well deserved break.

We look forward to a online and in person Centre Connect prior to the 2026 netball season.
